

North Dakota Livestock Alliance

Presented by: Amber Boeshans
Executive Director

Our Mission

Support, enhance and promote animal agriculture in North Dakota

Our Board

ND Pork Council

Midwest Dairy, ND Division

ND Corn Utilization Council

ND Soybean Council

ND Ethanol Council

ND Farmers Union

Our Vision

The North Dakota Livestock Alliance is a non-profit, non-partisan organization developed to provide assistance to farmers, ranchers and communities with the development or expansion of the livestock industry and to strengthen our connection with consumers to instill confidence in the practices we use and the food and products we produce.

North Dakota Ag Industries Working Together

Dedicated to responsible livestock development

- Emphasize a unified effort by all of agriculture
 - Dialogue with community and neighbors
 - Protecting the environment
 - Caring for our animals (PQA, BQA, FARM, etc)
 - Food safety, quality and nutrition
- Assist farmers and ranchers with community events

Consumer and community trust is vital to NDLA's livestock development mission

North Dakota Ag Industries Working Together

Assist livestock producers with sharing their stories

- Community events
